

Sunrise College - Student Handbook 2026

This handbook describes the academic rules, campus facilities and student services of Sunrise College. Sunrise College is a fictional college created for testing purposes. It was founded in 1987 by Dr. Meera Castellan and is located in the town of Ravensford.

1. Academic Calendar

The academic year is divided into two semesters. The Autumn Semester runs from 4 August to 12 December. The Spring Semester runs from 12 January to 22 May. A one-week study break called Quiet Week takes place in the second week of October, during which no classes or exams are held.

2. Attendance Policy

Students must attend at least 78 percent of lectures in every course to be allowed to sit the final exam. Students who fall below this threshold receive a formal warning called an Amber Notice. Two Amber Notices in the same semester lead to a meeting with the Dean of Students, currently Professor Anil Okafor.

Medical absences are excused only if a certificate is submitted to the Student Office within 5 working days of returning to campus.

3. Grading System

Sunrise College uses a 10-point grading scale. The grades are: O (Outstanding, 10 points), A+ (9 points), A (8 points), B+ (7 points), B (6 points), C (5 points) and F (Fail, 0 points). The minimum passing grade in any course is C. A student's Cumulative Grade Point Average (CGPA) must stay above 6.0 to remain in good academic standing.

4. Exams and Re-evaluation

Each course has one mid-semester exam worth 30 percent, continuous assessment worth 20 percent and a final exam worth 50 percent. Students unhappy with a final exam grade may request a re-evaluation within 7 days of results being published. The re-evaluation fee is 450 rupees per course and is refunded if the grade increases.

Students who fail a course may take a supplementary exam, called the Second Chance Exam, held in the last week of June. The maximum grade that can be earned in a Second Chance Exam is B.

5. Library

The central library is named the Castellan Library, after the founder. It is open from 8:00 AM to 11:00 PM on weekdays and from 10:00 AM to 6:00 PM on weekends. During exam weeks it stays open 24 hours a day.

Undergraduate students may borrow up to 4 books at a time for 14 days. Postgraduate students may borrow up to 8 books for 30 days. The late fine is 10 rupees per book per day. Students with unpaid fines above 500 rupees cannot register for the next semester.

6. Hostel Rules

Sunrise College has three hostels: Birch House for first-year students, Cedar House for second and third-year students, and Maple House for final-year and postgraduate students. Hostel gates close at 10:30 PM. Students returning late must sign the late-entry register at the security desk. Cooking appliances such as induction stoves are not allowed in rooms; a shared pantry is available on every floor.

7. Clubs and Activities

Students may join any number of clubs. Popular clubs include the Robotics Guild, the Debate Society, the Photography Circle and the Code Forge, which runs a 36-hour hackathon called ForgeFest every March. To start a new club, a group of at least 15 students must submit a proposal signed by a faculty mentor to the Student Council.

8. Scholarships

The Castellan Merit Scholarship covers 50 percent of tuition for students with a CGPA of 9.0 or above. The Ravensford Community Scholarship covers full tuition for students from families with an annual income below 3 lakh rupees. Scholarships are reviewed every year and are withdrawn if the CGPA falls below 7.5.

9. Internships and Placements

All undergraduate students must complete a mandatory internship of at least 8 weeks between their third and fourth year. The Career Development Cell, located on the ground floor of the Admin Block, organises placement drives from September to February. Students may accept only one job offer through campus placements; after accepting an offer they cannot sit for further interviews.
